

Need some help on my roofing project

Location **Washington**
<https://www.genclassifieds.com/x-561399-z>

Hi,
I am looking for somebody who knows how to install/ layout shingles on the roof. You will help me putting the shingles on the roof of my house. The Roof is almost flat. I will hire you for the day so tell me your price. Also send me some picture of past work. What ever you have worked on in remodeling/fixing house. You must be insured
