I have over 6 years experience in privately cleaning and organizing homes and offices. I can fulfill all of your house keeping needs. Windows, floors, laundry, bathrooms, kitchens, beds and any other needs you could think of I can even pick up and drop off dry cleaning or run your errands. I am honest, reliable, efficient, hard working and flexible to your schedule.

I have a clean background, my own transportation and can provide my own cleaning supplies if you prefer or I can use whatever you have chosen.

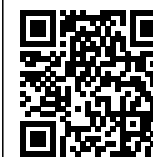

I have references as well

I would love to help make your life easier!

Please contact me so we can talk further or call me at

Thanks in advance for your time
