Location **Texas**

One Shimano 21 Speed V2100 4 bar bicycle for sale.  
In great condition, shifts slow but other than that an excellent bike.  
Only selling because we are getting new matching bikes.  
Asking 150 or best offer.  
I know other people are asking a lot more than this for this bike but we need the space and need it soon,  
so reduced it from other pricing to sell quick.  
Will remove posting when bike is sold.  
Text or email anytime if you have questions or want to come get!
