

Vintage Wooden Paneled Farm Hutch with Glass Door (295 USD)

Location **Washington**
<https://www.genclassifieds.com/x-562009-z>

Charming vintage wooden primitive farm style cabinet in a naturally weathered chippy white and blue finish. This amazing old rustic china hutch features a sleek, narrow design with four shelves and a paneled blue back. The glass on the door is intact and in great shape for its age. Also has an old glass knob as the handle. Display your fine china or linens with ease. Would make a cute shelf in a kitchen, office, etc. Solid and in great vintage condition with age related surface wear.

Measures 55.5" high x 32.5" wide x 11" deep

Now available at the vintage home decor store 'Marinus Home' located on Viking Way next to Rumble New Skins.

*Please contact through the store website or Facebook page if interested.
