I'm an NYU film student planning to shoot a short (12-15 minute) film in august, looking for actors to fill some of my roles. Non-union only. I'm looking for:

1 Girl 10-12 years of age

1 Boy 17-18

2 Adult males

2 Adult females

The roles are for the lead actors and their parents. Email me if you want any more information. This is not a paid job, but will get you film acting experience and an IMDB.
