Hi. I'm looking for a woman with beautiful feet that would be interested in trying out foot worship.

I'm a professional, mature, and sane guy and I'm looking for the same qualities in you! :)

The only way I can do this is if I feel comfortable with you and I feel attracted to you, so let's meet for a coffee first so I can make sure you don't have a unibrow and/or 3rd arm then go from there :) Please do not hesitate to ask me any.
