I have a 7 wk old male pit bull and I am no longer able to take care of him due to family illness. It breaks my heart to see him go but that's what's best for him. His rehoming fee is \$250 (less than what I paid) to ensure he goes to the proper home. I want to make sure he will be loved and cared for. He will also come with his pet carrier. Please help me find this sweet boy a home ASAP. Text me anytime for questions & pictures. Thank!
