

# SellersSales people (South Bay)

Location **California**  
<https://www.genclassifieds.com/x-562508-z>

I have lots of items for sale. I'm looking to find someone who will sell them and take a commission of the sale. These are used items. They range from everything from retail items and small items, to household items to large appliances and exercise equipment to pianos and vehicles. You can set price. Sell where and when you want - flea market, craigslist, etsy, amazon, ebay, garage sales.
