The office space in the Pruneyard Center is positioned one mile from historic downtown Campbell and is within the world-renowned Silicon Valley. The office space is part of the Pruneyard Towers office building, which is across the road from the Pruneyard shopping mall, a sprawling open-air retail complex. Close to two highways (I-880/17 and the I-280/680) it's easy to get to San Francisco Bay, downtown San Jose, Santa Cruz and Monterey from here. Campbell is often considered the capital of Silicon Valley and its businesses serve the many companies specializing in hi-tech engineering, computers and microprocessors both here and in nearby Santa Clara. The office building is steps away from hotels, restaurants, shops and boutiques set among colorful gardens.
