

800 RoommateRoom for Rent Needed (Culver City)

Location **California**
<https://www.genclassifieds.com/x-562678-z>

Hi,

I'm relocating from Minnesota at the end of this month and looking for a place to rent for the next 6 months.

I'm open to moving into a room for rent or pairing up with someone to find an apartment to share.

I'm a 25 years old working professional, very clean, respectable, and I always have my rent on time. Thanks!
