Location **Alaska**  
<https://www.genclassifieds.com/x-562776-z>

Stella is a very timid and unsure girl. She is tall, beautiful, and sweet-mannered. Yet her tail is tightly tucked, and she has a lot of fear. She will need a safe, quiet, and calm environment in which to unwind. Stella has a lot of potential. She shows an inquisitive and curious nature. While Stella is fearful, she does enjoy gentle attention. If interesting in adopting this shy and beautiful girl, please email AARF for an adoption application! She is also in need of a foster home, until a good forever home can be.
