

Parrot Cage (Wasilla)

Location **Alaska**
<https://www.genclassifieds.com/x-562778-z>

Very nice parrot cage only used 6 months. (We sold our conure...) It was cleaned and disinfected but it is dusty. Has a surround thing to keep seeds from getting on the floor it is just not attached at the moment. Comes with 4 stainless steel bowls. Has wheels and a play top.
