Make Money Reading the News

Are you looking to make some extra cash?
Do you need a little extra cash to help with the bills?
But not looking for long hours to get it?

Well, if you answer yes to any of these questions, then this might job for you. This is a great part-time home based opportunity for you to make some extra income.

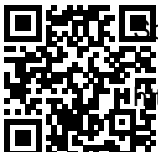

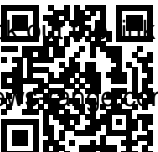

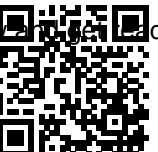

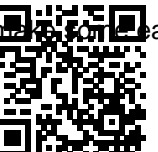

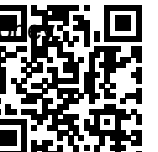

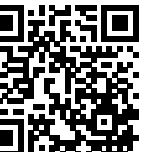

The requirements are simple:

- 1.You must be able to read;
- 2.You must know simple math (to prove you are not a robot);
- 3.Must have internet access; and
- 4.Paypal and or Payza account (this is how the company pays you). Don't worry if you don't have an account, those sites will show you how to set one up for free.

Each article you read generates a compensation of \$7.00 per article read. It is just that easy.

All you have to do is read a simple news article and once you finished just answer a few simple question and the company pays you \$7.00 and up for each article that you complete.

You are given anywhere from 10 to 15 article to read a day and sometimes more that \$70.00 a day for less then one hour out of your day. That is \$525.00 per week if you read 15 article or \$280 if you read 10 article and you get paid every 14 days. You can't go wrong with this.
