We have 3 Chiweeni puppies ready for new homes! They are 9 weeks old. Mom is a Chihuahua and weighs 5 lbs. Dad is a Miniature Dachshund and weighs 10 lbs. The puppies should be around 6-9 lbs. They are adorable! They have been raised around other pets as well as children. They get along and play great with everyone! We have been working on housetraining:) All of the puppies have received their vaccinations and have been dewormed. You will get their vaccination record. Rehoming fee is \$200. Thank
