I'm hoping to find a great home for a wonderful and gentle mother cat and her 2 newborn kittens. Mom is sweet, active, and very sociable. She can go to a home with children and/or other pets. She does great with both. Her 2 kittens were born Sunday July 5th and are doing great so far. One is grey and white, the other is black and white. This would be a great experience for family to be able to see their pets grow from newborn to fun and lively kittens! Asking \$150 for the Mama Cat and both of her babies. All 3 must go together, no!
