SUSANA'S MAGIC WORLD (home daycare)

We take care of children from infants to 4 year olds. All meals included. CPR and First Aid Certified. Home Daycare liscense of the City of Manassas. We work 24 hours from monday - Sunday. We take the "Childcare training program of the State of Virginia" yearly. NO contract fee or other additional fees. It has been open since 2004 (many years of experience). 130 dollars a week, 30 dollars per day, and 10 dollars per hour. We ALWAYS work with the parents scheduel.

We love children and we will take good care of them fact that can be proven by our references. The children have their own space within the house in which they can play with a variety of toys and also a large yard for the summer time. We keep the children intertained by following a scheduel which consists of play time, learning time, story time before nap time, and others. We insure that the children learn to have good manners to respect others etc
