Location

Maryland

<https://www.genclassifieds.com/x-564071-z>

Seeking girls who are fun yet sexy and fit who don't mind a bunch of loud friends screaming at each other while we draft our fantasy football teams

No one is creepy you just have to be sexy AND COMFORTABLE with your body. Topless is ok but not a must. Something super sexy or like a hooters waitress works. The pay is anywhere from 200-500 for about 3-4 hours for the entire draft. You will just hangout get the guys beers and party for the most part.

No catch no drama just a good time

We also are casting girls for webcam and webwork. These girls are SELECT ladies who have the face and body. Talent makes 2000 a week and some girls make 10k a month

make sure to leave your age and full body pictures and please leave non professional pictures. We want to see how you look currently not over the:)
