

cat needs a forever home (25 USD)

Location **Michigan**
<https://www.genclassifieds.com/x-564157-z>

4 year old black cat! Spayed, up to date on shots, and has just recently been treated for fleas. He's extremely social, very cuddly, good with kids, but would do better on his own rather than with other animals. I'm in my 3rd trimester and i really can't take care of him anymore as I am preparing for baby. Serious inquiries!
