

Cow print (20 USD)

Location **Nebraska**
<https://www.genclassifieds.com/x-564391-z>

Screen printed picture of a cows head. Looks like it's painted. Edges have a burlap and nail head trim with black threads that run through. It didn't fit what I wanted it for so my loss is your gain. Paid quite a bit more than \$40. Measures 19" top to bottom, 24" horizontal and it's about 2" wide. Cash.
