2002 Subaru Impreza TS. Roughly 179,000 miles. 5 speed manuel transmission. Runs but not able to be inspected. Has an oil leak, needs catalytic converter, and possibly an O2 sensor. The body has very little rust and the frame is good. Would make a great parts car or with a little tlc would be a great car. Looking for \$1000 or best offer

Needs to be gone by July 18th
