Housekeeper or Assistant wanted for live-in job!

I have a small private practice that deals with the music and television business.

Being overwhelmed with projects and small health issues is why I require a live-in person.

Your duties will be to cook, clean and run the house.

I need someone to perform basic housekeeping and light office duties.
You will have your own private bedroom and your own private bathroom.

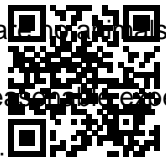

What are the responsibilities?

1. Making sure that things run smoothly.
2. Running the day to day activities of the house.
3. Normal cleaning of the house.
4. She will be involved with office work.
5. Basic cooking.

She must be a non-smoker, drug free and drama free.
