This phone is in excellent condition, I've always had a otter box case which I will trow in for the asking price of \$180 without the case \$170, it is for sprint. Everything works, no scratches on the screen. Otter case is worn but works great protecting the phone. Carbon fiber look back battery cover! 16 gb, I'm selling a little cheaper because it does not come with the charger but it has a brand new battery and will come fully charged, I can meet you at a sprint dealer.
