Still hoping that you can help me find my missing cat.

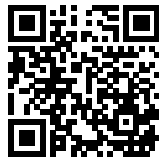

My beloved cat, Shoes, is still missing. She is an adult cat, all white with long hair. She has one blue eye and one green eye. I've had her since she was a kitten. She has been missing since Wednesday evening, June 17. She was lost by Foothills Apartments. Foothills Apartments has two entrances but one has been blocked. She was lost at the blocked entrance which is on S.E. Powell at approximately S.E. 175th.

Unfortunately, she has no chip and no collar or ID on her. We were in the process of getting her microchipped and a collar with an ID tag. Please if you find her, call Donny at We can't do texts, so please phone.

She is my long-time friend and companion. She is 12 years old. I really, really miss her. Please help her find her way home to me. Thank you for your.
