I have a 3 month old American bulldog lab mix . We got her when she was 4 weeks old and we kept her away from our bigger dogs until she was bigger. Well the last couple of weeks she's been around my 8 year old pit and he hates her! He's attacked her 4 or 5 times and we have to keep them locked up away from each other ! We don't think this is fair for her so we are rehoming her . Her names paislee and she knows it very well. She knows sit and lay down. She's 75 percent potty trained so if you don't watch her have a puppy pad down. She loves to play and cuddle! She's very sweet!! She'll come with her bed,toys, food and leash . We're asking 100 or best offer to rehome her we are open to working with you if your the right person! she's had three sets of 5 way shots!! We will ask questions on where she's going ILL TAKE 85 today without any of her things just her

SERIOUS PEOPLE ONLY text or email. Please no calls I don't answer to numbers I don't know I WILL NOT JUST GIVE HER TO ANYONE I WANT TO MEET AND TALK WITH YOU BEFORE YOU TAKE!
