Looking for a great caregiver for two young boys ages 3 1/2 and 18 months.

I will need someone to watch them on weekdays (hours vary), and only ever other week.
7:30 am-6pm approximately.

Preferably someone to come to our house, or if you are close and have a safe,
smoke free home (pref no indoor dogs), we are willing to drop them off and pick them up.

Please email or text only, with rates and experience. I will need references and a recent back ground check.
