

Jayco Eagle 345BHTS 5th Wheel 2015 (Show Prices Now)

Location **Washington**
<https://www.genclassifieds.com/x-565731-z>

We just got our 34ft Eagle 5th Wheel bunk house in! This has two bedrooms with one up front and one in back for the kids. Along with bathrooms at each end as well. This is a great layout let me know if you have any questions about it.

What is special about the Eagles are that they sit on a 8-10" inch thick steel I-beam frame Extruded as one piece not welded together!! Its the strongest frame in its class period!! The floor is made out of 5/8" tongue and groove plywood deck on 2" x 3" wooden floor joists. Rolled fiberglass, foil insulation and a poly flex covering. One of the strongest foundations in the industry. It has a fully walkable roof with a 4-1/2 pitch run off for water. Seamless rubber roof overlay. Also it has Climate Shield which means we test each unit that has this in 0 degree weather and 100 degree weather its a ALL SEASON CAMPING APPROVED!

Also what we do that most other dealerships do not do is a PDI (pre delivery inspection) thats included in the price!!

- We include
- Full detail in and out.
 - Fill Propane tanks.
 - Brand new battery and box install.
 - Unit prep/systems check.
 - Walk through with technician.
 - RV starter kit or \$50 in parts dept.
