

Yellow lab

Location **Wyoming**
<https://www.genclassifieds.com/x-565766-z>

We have a yellow lab who is less than a year old. We are looking to regime him as he just to big for our little family. He is very energetic and a big lug. He has been raised around another dog and children. He is akc registered and is not neutered. Rehoming fee is negotiable given the right candidate. He needs a home that can provide more room for him to grow and alot of room to run. Pictures can be sent upon.
