Location **Wyoming**
<https://www.genclassifieds.com/x-565836-z>

My husband and I are looking to purchase a home in Cheyenne. We want to be north of lincolnway and looking at homes in the avenues, western hills, out towards 4-mile etc. (nothing south of town or in sun valley). We are looking to spend between 130 and 150k and would like a place that has potential and can be improved with some remodeling. If youve been thinking about selling and want to avoid a realtors cut or know someone who is, let us know!!
