"These larger handle ULUs with the open blade are very popular with the avid ULU user. The golden Alaska Birch is laser etched with Alaskan scenes to look great in any kitchen. Each knife comes with a convenient Birch storage stand and a history/instruction booklet."

Each purchase comes with one of each Birch Ulu and Pocket Ulu. These make great gifts for visitors and family alike. Will deliver these anywhere in the Anchorage Bowl. I have many of these sets, so order multiple if you like.
