You are looking at a new generation of custom cruisers. A breed that stands apart. Check out the incredible attention to detail. From front to back, the 2010 Raider is loaded with "custom" inspired parts. Stretched out fork, fat rear tire, low seat and an aggressive, slammed riding position. The Raider features more black parts than the S version. The 2010 Yamaha Raider S not only looks good... it offers an incredible riding experience.
