

1997 ford f150 xl (3000 USD)

Location **Arkansas**
<https://www.genclassifieds.com/x-566587-z>

Excellent when it was driving. Brand new engine put in it then was drove to hard and now doesn't drive. Would say whats wrong with it but don't know. Excellent body. Good interior. 15" or 16" tires. Me and wife need to trade for something that runs because we are having a baby and need a vehicle that runs. Wanting \$3000 or best offer. Wanting to trade but money will.
