

# Kyosho GX (21.21 USD)

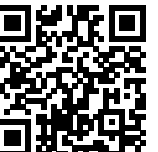

Location **Arkansas**  
<https://www.genclassifieds.com/x-566602-z>

This is an authentic Kyosho GX-21 racing engine. This is one of my most powerful engines. My buggy broke but the engine works. I do not know what to do with this engine so here it is. Nothing is broken. It has been using 20% nitro.  
 Text is preferred.
