4.0L with a 5 speed. Clutch and all components are all new. All fluids were flushed and replaced this last winter. Does have some cosmetical damage but over all is a good solid work truck. Had it 2 years milage unknow had a used motor put in by last owner. Tires in good overall condition 1/2 or more tread so will last you to winter or more depending on how you drive. A/C does not work needs a new compressor. Has cruise does work. Interior in very good shape no tears or cig burns, dash also in good shape. Bush button 4x4 and it works great and gets around great as well. New belt and plugs also. Truck is rust.
