One of a kind view!!! Imagine stepping out your front door and seeing Cedar Point!

This recently renovated boat house in a gated community offers full living amenities including private bedroom, living room with balcony and view of the water and park, full kitchen with brand new appliances, and full bathroom. The flat roof was replaced in 2014. Almost every square foot of the property has been updated, renovated, or repaired in the last 7 years. New furnace was installed last year. Property shares steel reinforced (and very quiet) party walls with adjacent units. Boat house features a lift and ample storage and can accommodate a 28' boat. Boat lift has 12,000lb capacity and can fit 12' wide boat.

Add this property to your family's portfolio as a place to boat from or just hang out and have easy access to Cedar Point. Boat can be negotiated into purchase. Come today and make this your new vacation destination!
