

Massage therapist student seeks (f) volunteers (Needham)

Location **Massachusetts**

Do you enjoy massage? Are you reasonably healthy? Currently seeking volunteers for the table.
All ages / body types welcome. No prior massage experience required. At this time I have ample male volunteers, and am seeking women.

I work from a clean comfortable wellness studio in a small office building - close to commuter line.

You should be able to provide some feedback, but other wise nothing else is required. Good opportunity for those that enjoy the wellness and relaxation benefits of massage but without the high cost.

Please respond with: approximate age range/height/weight/any conditions, availability, and means of contact. Day, Night & Weekend Day appointments.

Thank you
