

Study for New and Expecting Mothers

Location **Kentucky**
<https://www.genclassifieds.com/x-567244-z>

Hello! Living Room has a new opportunity for you to tell your story.

We are looking for:

Females between the ages of 18-25

Low Income

Expecting or first time mothers with children under 6 months old

Exited to speak with us about their child's health and development

To find out if you qualify, fill out the online survey: <https://www.surveymonkey.com/r/cincimoms>

If you qualify, we would conduct a 3-hour interview in your home and compensate you for your time.

If it looks like you are a good fit, a Living Room recruiting team member will be in touch to go over a few additional questions and get you.
