I have a super adorable male grey kitten who is in need of a forever home! He's great with dogs, likes cuddling, and belly rubs. My friend found him outside her house and despite him being an awesome kitten, I have 2 cats of my own who don't like other cats.

I have a video/ pictures upon request!

Asking for a small negotiable re-homing fee.

(just so I know he isn't going to be snake food or something)
