87500 Tristen

Delivery Available

The versatile transitional styling of Tristen assures it will be the perfect accent bed for any space.

CARE:
 Surfaces clean easily with a soft cloth.

DETAILS:
 Design lines include smoothly rounded shoulders leading to straight tops on the head and footboard profiles, with smooth vertical tubular spindles centers.

Available in Twin, Full ,Queen, & King Sizes, the bed has metal angle side rails and metal bedding support slats.
 Constructed of tubular steel, Tristen is finished in an antique pewter color with darker grey burnishing around its knuckle joints for the lived-in look of an aged patina.
