

Huge Dog missing

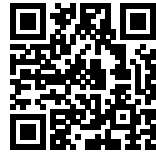

Location **Idaho**
<https://www.genclassifieds.com/x-567959-z>

Missing my baby girl. She is huge!!! Looks like a huge german shepherd/elkhound mix but she is an akita. Got out without her collar as I had been brushing her to remove her undercoat. She is afraid of lightening and fireworks and Saturday we had both. She is my sweet, sweet girl. Please return her to me. call
