For sale is my 2013 Dodge Dart Rallye, with 36,100 miles on it. I purchased it in March of 2013 and used it to drive back and forth between Michigan and Minnesota where I went to school. I'm graduated now and am looking for a bigger car.

The Dart is in great condition. I purchased a Mopar maintenance plan with the vehicle, and got the oil changed about every 6000 miles. There is some average wear and tear on the outside but the inside is flawless. I kept seat covers on since I purchased the car, so no rips or anything of the like on the seats. Gets 40mpg on the highway and about 28 in the city. Since the car just crossed 36,000 miles, I had the dealer inspect it before the warranty expired. Parkway Chrysler replaced all 4 wheel bearings (warranty on those for 12 months/12,000 miles). Also, new front tires have about 2,000 miles on them. The powertrain warranty is still valid until March 2018 or 100,000 miles. The Dart has never been in an accident and has a clean title with no loan to deal with.

The bad: I was hit in a Kroger parking lot, so there is a scrape on the rear bumper near the wheel well. No dents or cracks.

Some tech specs:
 2.0L 4-cylinder engine
 6 speed transmission with AutoStick (fluid changed at 30,000 miles)
 8.5" UConnect touch screen w/ backup camera
