**MEET BABY!**

Her foster mom describes Baby as a .... gentle giant! She is such a sweet, sweet girl who has so much love to offer a lucky guardian or family. She loves nothing more than to be cuddled and petted, to be near her humans, or on a sunny day, outside, lounging. She loves playing games of fetch or tug ... and she loves her antlers, marrow bones and rubber toys ...

Inside, she loves to chill inside her crate or when invited on the couch. She is a very mellow girl, low key and calm. Her foster mom feels she knows she was saved from the shelter and seems to be a very thankful soul.

Baby is good with other dogs, though prefers medium to large size dogs. Probably no cats. She is good with kids and with strangers, and is good on the leash. She is housetrained and crate trained.

This wonderful girl deserves only the most loving, caring home, one committed to give her the love, safety and security for the rest of her days ...we promised her that!

Baby is about 6 yrs old and weighs about 100 lbs. She is utd on shots and is spayed.
