We have room for 1 more! Stop struggling and wasting time on fake ads and empty promises! No lies or games here! If you want to be considered, keep reading!

Want to break into the booming adult industry, and feel like you have what it takes to be an escort?  
 Are you open minded and freaky?  
 Sick and tired of struggling in life?  
 Need a nice, safe place to live?

Read the ENTIRE ad before contacting us!

We're looking for 1 more girl. We get so many responses to this ad, but we can only take 1 more lucky girl at this time.

This is perfect for a beginner or for a girl who wants to break into the booming adult industry, and live the good life! "True Vegas Lifestyle" without all the bs and drama, empty promises, lies and games that 99% of the agencies in this town offer. These escort agencies cater to a very select few (favorite) girls, while the rest of the girls just sit and wait on call, and make little to no money! With us, there's only 2 other girls and YOU. That means the other 2 girls and YOU get ALL the clients. Makes sense right? RIGHT! And it makes dollars too!

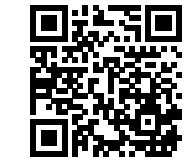

We're an attractive couple in our 30's, we live in a nice house in a nice gated community in Henderson. We have a girl already, and the room is available.

We're looking for a girl who would like to live with us, work as an escort with us, and make money. We have a lot of money. We live in the Vegas area, and we do everything together whether it be dinner, movies, swingers clubs, the lake, the beach, etc. And of course we make money escorting on a daily/bi-weekly basis. It doesn't get much better. We're like a little family/team.

We own and drive a few Bad \$\$\$ Benzo's and other high end cars, and we roll in style everywhere we go! People think the president is pulling up when we arrive.

No experience is necessary. We will teach you everything. We actually prefer someone who is new to this lifestyle. You don't need to be a perfect 10 runway model, as long as you're over 18, open minded, fun, good attitude, trust worthy, money motivated, and in touch with your freaky wild side!

Have a car? If so, great.. If not it's ok. You will be driven to and from your appointments in a Bad A\$\$ ride! So literally you need nothing except the will and desire to have fun, make money, and live this "True Vegas Lifestyle" with us!

- No ghetto girls!
- No drugs! (420 is ok and even provided if you're with us) (The best 420 I might add)
- No drama or baggage!
- You must be currently living in Vegas!
- (No out of state games)

Again, this is a "live in" position. You must be ready to move in with us and start living the good life!

Reply to this email with a full body picture and a good contact number, and we'll be in touch ASAP. We ignore and delete all responses that don't include a picture and phone number. We're looking for serious girls only. No games here!

Thanks.
