Move in August 1st to a three bedroom apartment on the first floor right next to the pool. The apartment has a 24/7 gym, tanning bed, business center, and car wash/vacuum. all utilities are included in the rent and apartment is fully furnished. Private bathroom and a washer/dryer in unit. Roommates are friendly, and internet is included. I would stay but I work in Cary, and the 30 minute drive is getting to me after 12 hour days.
