I am an up and coming videographer who is looking to shoot some weddings at extremely affordable prices. I have a handful already under my belt, but I need more to build my portfolio. Interested yet?? You should be! I'm talking about Full HD video here....multiple camera angles....crystal clear audio. Got your attention yet? Now, a normal wedding video shoot can run you up to THOUSANDS, but you're in luck today. I'm offering my services at a fraction of some of my competitors. I recently upgraded to the Canon T5i and Canon G7X which both shoot very high quality video.. I will make your special day something to remember for a lifetime. You can reach me at 918- Nine 4 Six- 6 Nine 8 One. Text is preferred. If you text for pricing, please have wedding details ready, such as date and location of the wedding. If you would like to see examples of weddings I've shot go to YouTube and search "Lasting Memory Productions" and my page should come up. You can also find me on Facebook. Thanks! www.lastingmemoryproductions
