I cannot believe this day is here! I'm considering selling my "2003.5" m3 SMG bmw. Truly the ultimate driving machine, one of the purest M cars ever made. This M3 is stock, only has 1 inch drop from eibach springs. Clean title, low miles, I'm the 3rd owner. This car blue books/nada for 17500 but I know these cars and mine is worth the extra cost. I've owned a few and driven over 15 of these and they were all mostly tired and beaten on. Fyi I still owe on this car but I've sold before and it's not a problem we just meet at the bank and complete the transaction.

- Pros:
- New Vanos system (4k in receipts)
  - New water pump, tubing and belts
  - New alternator
  - New battery
  - New valve cover gasket
  - New spark plugs
  - New oil change
  - All options except navigation (lumbar support, heated seats, 19 inch wheels, cold weather package)
  - Non smoker
  - Local car from Kuni Bmw
  - No subframe cracks

Cons:  
 - No joy rides folks, sorry. Mechanic inspection is ok with me.  
 - Call or text 360 209ethree 93zerotwo  
 - Leave a message on my bus but I'll call you.  
 - No joy rides folks, sorry. Mechanic inspection is ok with me.
