Title of the wall hanging/sculpture is "Child at Heart." It is cast in high quality designer resin/faux stone. Per manufacturer, buyer should expect minor imperfections from the casting process. Finish Color: Ancient Ivory. Every piece is hand finished post casting. This is a "Design Toscano" exclusive piece. There are recessed hanging holes on the back for easy hanging as well as pads on each corner to avoid scratching walls. Actual dimensions: 15 inches wide by 10-1/2 inches high by 3 inches deep. In original box and packaging. Dimensions of box: 18"x14"x6". Weighs 5 lbs. I only opened the box and styrofoam casing to make sure the sculpture was not broken or defective. Currently selling on Ebay for \$67. Received as a gift but had already purchased it for myself. Would make a wonderful gift. Cash only. See many other items for.
