The following description was copied from Amazon.com:

Classic lines and enhanced styling makes Kwikset Cameron keyed entry door knobs a great choice. It features Kwikset's revolutionary SmartKey Re-Key Technology, allowing you to control who has access to your home. You can re-key your lock in 3 easy steps, and there is no need to worry about lost or loaned keys. This improved key control, combined with ANSI Grade 2 residential security rating and patented locking sidebar BumpGuard protection, means superior security and convenience.

Cameron Entry Knob At a Glance:

- Satin nickel finish
- Adjustable latch fits all standard door preparations
- SmartKey technology allows you to re-key lock without removing it
- ANSI/BHMA Grade 2 security rating
- Lifetime warranty on mechanics and finish

Kwikset's patented pre-assembled design guarantees hassle-free installation--all you need is a screwdriver. SmartKey locks provide you the flexibility to re-key your locks quickly and easily without

removing them from your door. And you can re-key a SmartKey lock as frequently as you wish while maintaining the highest level of security. With a patented bumping bar, the lock resists the force of a bumping attack. The cylinder is made of hardened steel and is protected by a rapidly rotating sleeve. The ever-ready re-keying process allows you to re-key your lock in 3 easy steps. Re-keying your lock is a breeze. The flexibility of the Kwikset SmartKey system is added to the beauty and security of the Cameron Keyed Entry Door Knob Set.

This stainless steel side-locking bar replaces the traditional pin and tumbler design that is particularly vulnerable to lock bumping attacks. The cylinder uses seven steel balls inserted into the key face to provide improved drill resistance.
