2014 251RBS Features and Options

See how convenient your camping can be in this Bullet travel trailer by Keystone RV. Model 251RBS features a rear bath, dual entry doors, and a large slide for added interior space.

Step inside the most forward side entry door and be greeted by a spacious interior with combined living and kitchen area. The tri-fold sofa and booth dinette when fully expanded provide maximum space to move around, and gives the trailer a wide open feel. There is an entertainment center that can easily be viewed from the living space located just off the foot of the bed in front.
