

Framing Side Job (Chapel Hill, TN)

Location **Tennessee**
<https://www.genclassifieds.com/x-569664-z>

I need an experienced small framing crew or a couple of fellas that can frame the inside of a 1500 sq. ft. house. Must have references, prefer that you have your own tools but not necessary and be willing to work on Saturday & Sunday because we want to be there while the framing in done. It shouldn't take longer than a weekend to complete this job. Please text or email me if you're interested. We need someone as soon as possible.. . .
