

King Sized Mattress (350 USD)

Location **Washington**
<https://www.genclassifieds.com/x-569715-z>

Only the mattress is for sale. No box spring. It was used on bed with slats. If you are in need indeed of a firm mattress maybe you like this offer. Very good quality. We moved and boom because it doesn't fit in the room. It has some wear only on one side because when we moved it was on one side. Please serious inquires. Cash only. No.
